NOTICE OF FILING/JOB OFFER

AC Illustrations, Inc., d/b/a/ Zoyes Creative Group as an opening for an Architectural Model Maker in Ferndale, Michigan.

Job duties include: Working with architects and designers to convert prints, schematics, design plans and sketches into 3-D architectural models, using Auto-CAD and 3-D modeling software to program CNC mills, laser cutting and engraving equipment and 3-D printers, to create museum quality presentation models, of varying scales, of new and existing building designs including the building of architectural models and modeling of the surrounding area to show how the new and renovated buildings fit with their environment.

Minimum educational requirement: Associate's Degree in 3-D Model Development and Design.

Experience Required: 12 months experience as an Architectural Model Maker.

Special requirements: Demonstrated experience using 3-D Computer Aided Design (CAD) software; which includes Auto CAD, Rhino, 3-D Studio Max and sketch-Up to create 3-D models. Demonstrated experience reading blueprints, schematics, drawings and sketches with the ability to articulate this information on a 3-D physical model. Demonstrated experience using 2-D design software, including Adobe Illustrator. Demonstrated experience in using table saws, miter saws, routers, sanders and band saws to cut, modify or manipulate materials to gain results in making physical models. Demonstrated experience applying creative and analytic thinking to implement design ideas that communicate effectively through a 3-D physical model. Demonstrated ability to use painting techniques to finish equipment and facility models. Demonstrated ability to use brass, wood, styrene and other materials to and fabricate materials that may be needed to finish models. Demonstrated experience in using a laser cutting and engraving machine. Demonstrated experience in using a computer numerical control (CNC) mill.

Hours: Monday through Friday, 9:00 AM to 5:00 PM

Salary: \$53,955 per year
